

The Fastest Arrow You'll Ever Shoot!

***Increase Arrow Speed by 30 to 150 FPS!**

Penetrates Better Than a 600 Grain Arrow, up to 150 FEET PER SECOND FASTER!

If you shoot at a deer 34 yards away with an average hunting arrow, you'll totally miss an 8" kill zone using your 30 yard sight pin. BUT NOT WITH A SPEED PRO ARROW!

Higher grade carbon than Beman, Carbon Express, Vapor, PSE, Carbon Tech, Easton or Gold Tip!
LIGHTER & FASTER THAN ANY OTHER MANUFACTURER'S ARROWS!

NOTHING WILL IMPROVE YOUR HUNTING SKILLS MORE!
